

the recomputed section 467 loan balance immediately after the modification is negative \$474,513.10 and the section 467 loan balance immediately before the modification is negative \$282,837.29. However, the section 467 loan balance immediately before the modification does not take into account the \$200,000 payment originally payable on July 15, 2002, whereas, under the conventions of § 1.467-1(j)(2)(i)(C), the recomputed section 467 loan balance immediately after the modification takes into account that \$200,000 payment because it is now payable in the first half of the rental period (June 15). Under these circumstances, if the recomputed section 467 loan balance immediately after the modification is treated as negative \$474,513.10 for purposes of applying paragraph (g)(2)(ii)(B) of this section, K's gross income and J's deductions attributable to the section 467 rental agreement will be understated by \$200,000. Therefore, under paragraph (h)(1) of this section, only for purposes of applying paragraph (g)(2)(ii)(B) of this section, the \$200,000 payment due on June 15, 2002, should not be taken into account in determining the recomputed section 467 loan balance immediately after the modification.
